NOTE FOR:

SUBJECT: Executive Seminar

Mark—

I request a reservation for attendance at the 5-17 February Seminar on Science, Technology and Public Policy, to be held at . The several issues that will be addressed during the seminar are of the sort that I confront in the normal course of my duties. The seminar will provide an opportunity to develop a greater appreciation for the environment within which complex policies, e.g., nuclear non-proliferation, are developed and executed.
